5

B2C App & Console Web

The tool that allows the final customer to track his package, confirm the delivery result with signature from the app or web console.

Epal Control

The epal control tool to track the accounting of the epal and the desired asset.

A person is silhouetted against a vibrant, colorful night sky filled with stars and the Milky Way galaxy. The sky transitions from a deep purple and blue at the top to a bright orange and yellow near the horizon. The person is standing on a dark, rocky outcrop, looking up at the stars. The overall scene is a beautiful, awe-inspiring view of the night sky.

THANK YOU!
